PB22 ELECTRIC POWER BRUSH

FEATURES & BENEFITS

- Carpet Height Adjustment with 6 Settings
Can be used on a variety of different carpeting and flooring
- Dirt Sensor - Lets user know if area is clean
- On-Off Switch - Enables power brush to be used without a spinning roller
- Yoke Release Pedal - For locking neck, preventing wand and hose from falling over
- Easy Release Wand Mechanism on Yoke
Convenient and easy to use
- Overload Circuit Breaker
Shuts unit off before any damage occurs
- Access Door - Easy removal of any blockages
- Rubber Wheels - Non-marking and prevents damage to hard surface flooring
- See through Window - Able to visually check that brush roller is turning
- Yoke Mechanism Rotates and Swivels
Allows vacuuming under low clearance objects (bed, couch)
- 14" Wide - More area is covered for faster vacuuming
- Chevron Style Brush Roller
Helps direct dirt into power brush
- Headlight - Illuminates vacuuming surface
- Complete with Aluminum Ratchet Wand with Cord Management bracket and protective cord cover
- ETL Approved Safe

Power Nozzle with Aluminum Telescopic Wand - Black
Part# 61010
